

-
- A close-up photograph of a yellow and black industrial cable with a metal connector. The cable is shown at an angle, with the yellow jacket on the left and the black jacket on the right. A silver-colored metal connector is attached to the end of the cable. The background is a plain, light gray surface.

All the installation, connection and safety regulations, as per our technical information, have to be strictly adhered to.
The set-up of the products have to be made by skilled staff, only.
Repair exclusively made by di-soric.
