

BEK 1-F100/100-G3TI-IBS Backlight

- Internal control of power output
- Homogenous luminous field
- High protection class IP 67
- External trigger input
- High efficiency
- Light intensity can be adjusted
- Low levels of heat produced
- Sturdy housing design
- Constant level of light intensity over the entire voltage range

Safety instructions

The Instruments are not to be used for safety applications, in particular applications in which safety of persons depends on proper operation of the instruments.

These instruments shall exclusively be used by qualified personnel.
