| Product Description |                                                                                                                                                                                  | laser light barrier |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| Name                | D-LAS90-L-Q-R                                                                                                                                                                    |                     |
| Order number        | 08378422500                                                                                                                                                                      |                     |
| Switch type         |   Programmable |                     |
| Signal Type         | DC push-pull                                                                                                                                                                     |                     |
| Illuminant          |  Laser 670 nm                                                                                   |                     |
| Connection          |  Connector                                                                                      |                     |

| Technical Specification |  |
|-------------------------|--|
| Digital output          |  |

Errors and omissions exceptet
