

## Mounting tube

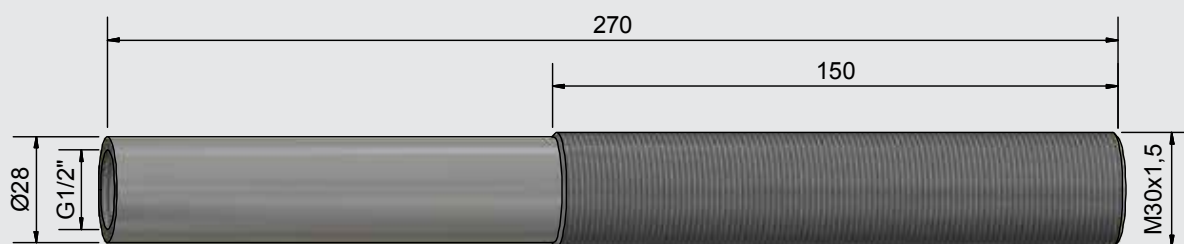

Process connection: M 30 x 1.5

- Housing material: Stainless steel VA No. 1.4301 / AISI 304
- Mounting tube for the extension of the capacitive sensor KA 1470

### Technical data

|                                                     |                      |
|-----------------------------------------------------|----------------------|
| Type                                                | MT-270-G1/2-M30-VAb  |
| Art.-No.                                            | 196 354              |
| Material                                            | VA 1.4301 / AISI 304 |
| Surface quality Ra, part in contact with the medium | 0.8 µm               |
| Process connection                                  | M 30 x 1.5           |
| Applicable for capacitive sensors with connection   | G 1/2"               |
| Extension of the material                           | 270 mm               |
| Accessories (delivered with the sensor)             | 2 nuts M 30 x 1.5    |
